THROUGH THE DEPUTY COMMISSIONER, HASSAN DISTRICT.

SIR,

I have the honour to state that in accordance with resolution tabled by 8 members of the Board, ie, more than $\frac{1}{2}$ of the number of members required by Section 29 (2) (a) of the District Board Act, a special meeting of the District Board was convened to-day at 10' clock in the noon. It was resolved by more than half the number of members on the Board, as required by Section 45 (2) (n) of the District Board Act to welcome the minister for Local Self Government and Public Health during his ensuing tour in the District and present him with an address. A sum of Rs.350/- was allotted for the purpose to be met out of the opening balance this year. A committee has also been formed to formulate and scrutinise the items of expenditure which mainly runs as noted below.

A copy of the resolution is herein enclosed, and I request you will be so good as to obtain kind sanction of Government for (1) reception and (2) for incurring an expenditure of Rs.350/- for the purpose as per resolution and communicate the same to me

Extract of resolution of the special meeting of the Hassan District Board, held on 12th August 1941.

" Mr.K.Ramanna moves the resolution to offer the Boards' felicitation to Sriman .H.B.Gundappagowda,B.A.,B.L.,. minister for Local Self Govt; and Public Health on his first visit to Hassan during his tour this month. Mr. H.N.Basavaiah, seconded it.

Mr. A.G.Ramachandra Rao, who was allowed to express his views on behalf of him-self and some members regarding the subject matter began and entered the domain of politics in Mysore, ^{which} and I think is not warranted by the subject on hand. To allow discussion on the lines trodden by Mr.Ramachandra Rao would be to defeat the very propriety and object with which this resolution is tabled by some honourable members of the Board. Mr.Ramachandra Rao is requested to express finally his view either affirmative or negative to avoid unpleasantness. He says he is unable to give his opinion.

The resolution is put to vote, 15 voted in support of the resolution and the resolution stands passed by more than one half of the number of the members on the Board. Mr.A.G. Ramachandra Rao seconded by Mr.K.Keshavamurthy demands a poll and the poll is taken. Those that are against:-

It is proposed to allot Rs.350/ for the function, proposed by Mr. Sadak Ali Beig seconded by Mr. Khandarayasetty. Mr. A.G.Ramachandra Rao opposes it. At this step Mr. Ramaswamy Iyengar proposed an amendment to cut down the expenditure to Rs.50. Mr. Studer, seconds it. Messrs, Studer and Ramswamiengar only vote and the amendment was put to vote and lost and none else voting for it. Mr.Ramachandra Rao demands poll and I do not think it is necessary to allow and the same is rejected. The original ~~xxx~~ proposition is put to vote and carried by 14 members, and this is being more than one half of the members of the Board. ~~The~~ resolution is carried.

Dear Sir,

We were assured of the establishment
of the reign of law, and the Gov. servants
would strictly ~~eschew~~ eschew politics, and not
take up sides.

In this connection, I earnestly invite your
kind attention to the proceedings of the special
meeting of the District Board, Hassan. I leave
it to you to judge, whether having regard to
the embarrassing financial position of the District
Board, it was desirable and proper for the
ex-officio members to take the initiative, and
throw their weight and influence in making the
Board indulge in costly luxury & entertainments,
and further embitterment of feelings amongst
the elected members.

ADVOCATES.

I have enclosed a statement signed by nine members (elected) of the Board, which, when presented to the President in the midst of sessions, was summarily rejected. If you kindly get the entire proceedings of the meeting, you will be able to appreciate how things are being done.

I would invoke your special attention to the terms of the notice for the special meeting (which is highly defective), and the ruling of the President shutting out views, according to the opinion of the majority, refusing to receive objections raised, and finally, illegally shutting the prior resolution sanctioning Rs 50/-, and manipulating a subsequent resolution for a very higher sum. I would refrain from saying more.
